Greetings AHEPA Family and Friends,

Our national events aim to bring members from across the AHEPA domain together to compete athletically and meet one another, all while fundraising for our national projects and programs. We count on the money raised by these events to underwrite these initiatives, as well as to be able to contribute to the worthy charitable organizations we have chosen to support with our projects.

This year, the Sons have chosen to commemorate our centennial anniversary, marking one hundred years since we were founded on February 3, 1926. As we approach this milestone, we look not only to our rich past but to the future. The SOP 100 Campaign is designed to invest in the next generation of Hellenic leaders, preserving our cultural legacy while preparing students and young professionals to thrive in business, public service, and community life.

The campaign will culminate with a Centennial Weekend celebration in Manchester, NH, the birthplace of our Order, from January 30 to February 1, 2026. Proceeds will support projects that both celebrate our history and create opportunities for youth today, including renovations to the Millyard Museum of Manchester, including a Sons of Pericles exhibit, as well as the preservation of our archives at the Saint George Greek Orthodox Church library in Manchester. This campaign has been chosen as our National Project this year and will not only help us catalog the history of our organization, but shine a light on the Heritage, Service, and Brotherhood that has been evident since our inception.

Additionally, Supreme President Basili Ronstadt and Maids of Athena Grand President Stephanie Owens have joined forces this year and are collaborating to raise money for Φροντισω (Frontizo) as their respective President's projects. Φροντισω is a Greek organization that supports elderly individuals, particularly those with dementia or Alzheimer's, and their families. They focus on both social support and reducing caregiver burnout by organizing volunteer-driven programs in collaboration with health and social care professionals.

While our national events are our main source of fundraising, we also do what we can to make our participant packages as cost-effective as possible. These packages include events for each weekend and help subsidize the costs associated with them. We rely on sponsorships to help make these packages more affordable for our members in order to promote attendance and encourage engagement on a National level.

The Sons of Pericles graciously ask that you consider a sponsorship and make an investment in the success of the Junior Order of AHEPA and ensure a future for The Order of AHEPA as we continue to grow. Please feel free to visit our website sonsofpericles.org or contact any Supreme Lodge member for more information.

With Gratitude,

The Sons of Pericles Supreme Lodge 2025-2026

SAVE THE DATE FOR OUR UPCOMING EVENTS!

OCTOBER 31-NOVEMBER 1 	Greeks in Ottawa Social Weekend
JANUARY 16-18, 2026 	Greeks in Florida Social Weekend
