

Sons of Pericles & Maids of Athena Sponsorship Form

To friends and members of the community,

Exciting times are upon the AHEPA Family; we are excited to host our first co-ed beach volleyball tournament, Greeks in Miami, and fellowship weekend. As the Sons of Pericles and Maids of Athena, we strive to make a meaningful impact on our community here locally and globally. The way we achieve this centers around three core concepts: *Heritage, Service and Brotherhood/Sisterhood*. Our phenomenal weekend planned in February achieves just that. Besides the wonderful *parea*, competition, and *kefi*, we strive to make a *Service* impact, along with our fun. The majority of our proceeds from weekend packages, tournament fees, and sponsorship will go directly to our national project, the Ronald McDonald House, Greek Division of New York that works to support families of Greek/Cypriot descent seeking medical treatment for their children in New York City. For more info on these wonderful organizations we support head to our website: www.sonsofpericles.org/national-project

Your generous sponsorship will further aid us in achieving our philanthropic goals and have a large impact on our local and global communities. Please consider one of the mutually beneficial sponsorship levels below by completing the form and returning with payment to AHEPA HQ.

Please feel free to contact me directly with any questions.
